Donnie McFarlin, a Virginia inmate at Keen Mountain Correctional Center, proceeding pro se, brings this 42 U.S.C. § 1983 action, claiming deliberate indifference to his medial needs. The court referred the matter to the United States Magistrate Judge for a report and recommendation on McFarlin's motion for summary judgment. The Magistrate Judge entered a Report and Recommendation pursuant to 28 U.S.C. § 636(b), recommending that the court deny McFarlin's motion. The ten days allotted under § 636(b) for the parties to object to the findings and recommendations in the Magistrate Judge's Report have expired; and no objections have been filed.

Thus, it is hereby **ORDERED** and **ADJUDGED** that McFarlin's motion for summary judgment is **DENIED**. The Clerk of the Court is directed to send certified copies of this Order to the plaintiff and to the counsel for defendants.
